Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.3) Additional information

Cumbria County Council is fully supportive of all aspects of diversity including ethnicity, race, religion, age,

disability and sexual orientation. In this respect Cumbria County Council welcomes expressions of interest

from ethnic minority, disabled and other diverse business communities and the voluntary sector. Economic

operators are therefore required to fully comply with all statutory obligations/applicable legislation and there

will be a requirement to participate in the Authority's supplier audits on all aspects of diversity. The Contracting

Authority expressly reserves the right: (I) Not to award any contract as a result of the procurement process

commenced by publication of this notice; and (II) To make whatever changes it may see fit to the content and

structure of the tendering competition; and in no circumstances will the Authority be liable for any costs incurred

by the candidates. If the Authority decides to enter into a Contract with the successful supplier, this does not

mean that there is any guarantee of subsequent contracts being awarded. Any expenditure, work or effort

undertaken prior to contract award is accordingly a matter solely for the commercial judgement of potential

suppliers. The Contract is for 4 years. The total value provided is only an estimate. Local Authorities have a

duty under the Local Government Act 2003 to obtain best value in the procurement of works, services and

supplies and to secure continuous improvement in the way they carry out their functions, having regard to a

combination of economy, efficiency and effectiveness. This means that when procuring contracts, the Council

will, on a case by case basis, weigh up the costs of the contract against the benefits off their employment terms

for contractors employees and any resulting benefit to the Council. There is scope for giving some weight at the

tender evaluation stage to the attitude of contractors, suppliers and some service providers to fair employment

clauses and of the Council's fiduciary duty to tax payers and obtaining best value. Each case will be considered

separately and flexibly, with any impact on costs fully assessed and justified.

Please note that AQP does not limit the number of candidates
