II.1.4) Short description

This opportunity has been listed on behalf of LHC Procurement Group and our regional businesses:

Consortium Procurement Construction (CPC)

London and South East (LSE)

Scottish Procurement Alliance (SPA)

South-West Procurement Alliance (SWPA)

Welsh Procurement Alliance (WPA)

This is an early market engagement notice to provide awareness for a future tender opportunity for a Roofing Systems & Associated Works Framework Agreement.

The new Roofing Systems Framework (RS5) will be the successor to LHC's current and successful Roofing and Associated Works Framework Agreement (RS4) which is due to expire in May 2025. The aim in the development of this framework will be to provide an efficient, value for money procurement route for local authorities, social landlords and other public sector bodies for the design, supply and installation of roofing systems and associated works in all types of public sector refurbishment and new build projects; including:

- > Multi occupancy residential buildings (low/medium/high rise)
- > Schools
- > Colleges
- > Universities
- > Public offices
- > NHS buildings
- > Blue Light buildings
- > Other public buildings

LHC intend to carry out further engagement webinars with interested parties and manufacturers in due course to discuss our initial proposals, timescales for the tender and gain feedback before finalising the framework and issuing the tender.

To register an interest in the upcoming framework tender, and to receive further information on the webinar and how to book onto a session please express an interest in the project via our eTendering portal using the link as follows:
