This DAC will provide funding for Immunohematology testing for NIBTS for patients and donors. NIBTS have secured a new contract via a competitive process, however the new equipment may not be installed and ready for use at the end of the current contract on 30/04/25. This interim arrangement extends the current compliant arrangements, ref 15408, and will ensure service cover between the end of the current contract and the between the new equipment being ready.
