1.The Council shall obtain a Creditsafe credit check and will score bidders accordingly:

71 - 100 Very Low Risk – Accept

51 - 70 Low Risk - Accept

30 - 50 Moderate Risk – subject to further discussion internally with the option to reject.

21-29 High Risk – subject to further discussion internally with the option to reject.

1-20 Very High Risk – Reject.

*The following applies if no credit check can be undertaken:

2. Please state current turnover (if contract value is over 50% of reported turnover, further discussion will be had internally with the option to reject).

3. If you are under no obligation to publish accounts on Companies House and/or do not have a comprehensive credit rating then provide audited financial accounts for the previous two years. Both quick and current ratios should be a minimum of 1:1.5 for the two successive years. Bidders whose ratios do not meet the minimum criteria will be rejected. Bidders who can provide audited accounts but chose not to do so shall be rejected.

4. Bidders who have been trading for less than one year and cannot provide audited accounts must submit the cash flow for the current year and a letter from the bank outlining the current cash and credit position for the current year and subsequent year. This will be subject to internal discussion with the option to reject.

5. If bidder still does not meet the financial criteria for consideration but has a parent company that does, the firm may still be eligible for consideration where their submission is supported by a parent company guarantee.

It is a requirement of this contract that bidders hold, or can commit to obtain prior to the commencement of any subsequently awarded contract, the types and levels of insurance indicated below:

Employer's Liability Insurance = 10m

Public Liability Insurance = 5m

(add any others in the same format)

Community benefits are included in this requirement. For more information see:

<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

Specific Community Benefits objectives for this procurement are as follows:

Fair Work First (FWF)

The Scottish Public Sector is committed to the delivery of high quality public services, and recognises that this is critically dependent on a workforce which is well-rewarded, well-motivated, well-led, has access to appropriate opportunities for training and development, is diverse and inclusive, and can influence decision making. These factors are also important for workforce recruitment and retention, and thus continuity of service delivery.

Innovation/Case Studies

A case study could include an example of best practice or significant achievement on the project; an example of how innovation has been demonstrated or examples of positive outcomes resulting from the delivery of community benefits. Case studies can touch upon any areas of additional enhancement to project delivery, final product to the Council and/or end user. Case studies can include testimonials from placement participants (including under-represented groups such as disabled persons or care leavers”), address fair work practices, 3rd sector/community assistance or collaboration or general innovation. Can be regarded as an extended press release (available for the Council to use in further communications). The submission and frequency will follow the Contract Management Framework reporting agreement.

Carbon Reduction

Scotland's Climate Change Declaration and Aberdeen City Council's ambitions to become a climate positive city and move towards a just transition to a net-zero, green, wellbeing economy represent key local and national priorities.
