Port-related activities

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Ardrossan Harbour Redevelopment

Reference number

AHL/C0125/

II.1.2) Main CPV code

- 45241000 - Harbour construction works

II.1.3) Type of contract

Works

II.1.4) Short description

Ardrossan Harbour, located in the north west of Scotland near Glasgow, serves the Isle of Arran and Kintyre with daily ferry services.

To increase capacity, modernise facilities and broaden the range of vessels which can access the port, the Ardrossan Harbour Company Limited and partners are engaging with the market in order to best understand how to package the respective work packages. Once complete, Peel Ports will launch a competitive tender process for the award of a design and build contract or contracts.

Peel Ports owns and operates six of the UK's most important ports (Port of Liverpool, Heysham Port, Manchester Ship Canal, Medway, Clydeport (Greenock, Hunterston, Ardrossan) and Great Yarmouth). It also operates a container terminal in Dublin.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 45213342 - Ro-ro terminal construction work
- 45213341 - Ferry terminal building construction work

II.2.3) Place of performance

NUTS codes

- UKM93 - East Ayrshire and North Ayrshire mainland

Main site or place of performance

Ardrossan, Scotland

II.2.4) Description of the procurement

The aim of this periodic indicative notice is to engage with the market and to give advance notice of the upcoming procurement prior to the release of the contract notice which is due June 2023. Contractors are invited to provide early expressions of interest in relation to this opportunity.

It is proposed that the scope shall be for a contractor or contractors to be responsible for the design and construction of

- Re alignment of the Arran Berth cutting into existing land to form a longer 135m quay wall
- Mass excavation to the new quay line for disposal on land
- Associated new fenders and bollards
- Dredging of sand and rock for disposal at sea
- Replacement of the existing Linkspan with a realigned and wider hydraulic ramp, including new bankseat and cut off walls
- New passenger terminal building
- Extensive marshalling yards and car parks, surfacing , drainage and lighting
- New electrical power and distribution supply network
- Installation of a passenger access system (PAS)
- Installation of a LNG vessel re-fuelling system

II.3) Estimated date of publication of contract notice

31 May 2023

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

If you wish to indicate an early expression of interest in relation to this opportunity, please provide as a minimum the following information and submit to the Peel Ports Sourcing Team mailbox sourcing@peelports.com

- Company Name
- Contact details, including location telephone and e-mail address, main point of contact and position in Company

It is anticipated that the Contract Notice, formally commencing the procurement event (including the issue of tender documents), will be issued May / June 2023 with an anticipated Contact Award of April 2024
