Main site or place of performance

North Tyneside

II.2.4) Description of the procurement

THIS IS A CONTRACT AWARD NOTICE

The Authority has secured funding from the European Regional Development Fund (ERDF)

to support delivery of the Killingworth Site Sustainable Retrofit Project. This project is a

combination of refurbishment and replacement of existing office accommodation, workshop,

welfare and other facilities on the site ensuring it 'future proofs' depot operations. Energy

efficiency and functionality are key principles and the Project will use a wide range of energy

efficient, generation and storage/distribution solutions to support a move to an electric

powered operational fleet whilst reducing the site carbon footprint.

This procurement opportunity relates specifically to Electric Vehicle Charging Points and

North Tyneside Council will act as Principal Contractor for the project, therefore the Contractor will be working in the capacity of Sub-Contractor.

The winning bidder was required to confirm that they will comply with the Authority's minimum

standards in relation to health & safety and mandatory training requirements. All operatives

must hold CSCS cards, relevant training certification and any other trade/task specific

relevant qualifications.

This package is anticipated to be completed in 6 weeks with works commencing in May 2022.
