Contract

Contract for Waste Disposal - Hanford Energy Recovery Facility

Staffordshire County Council

F03: Contract award notice

Notice identifier: 2025/S 000-012034

Procurement identifier (OCID): ocids-h6vhtk-04fab8

Published 31 March 2025, 2:43pm

Section I: Contracting authority

I.1) Name and addresses

Staffordshire County Council

1 Staffordshire Place, Tipping Street,

Stafford

ST162DH

Contact

Paul Timmins

Email

paul.timmins@staffordshire.gov.uk

Telephone

+44 1785854646

Country

United Kingdom

Region code

UKG2 - Shropshire and Staffordshire

Justification for not providing organisation identifier

Not on any register

Internet address(es)

Main address

<https://www.staffordshire.gov.uk/Homepage.aspx>

I.4) Type of the contracting authority

Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Contract for Waste Disposal - Hanford Energy Recovery Facility

Reference number

IA3561

II.1.2) Main CPV code

- 90500000 - Refuse and waste related services

II.1.3) Type of contract

Services

II.1.4) Short description

Staffordshire County Council have secured short term arrangements (April 2025 - March 2030) for the disposal of waste in the North of Staffordshire. The waste supply agreement has been developed with Stoke on Trent City Council to provide continuity to an existing partnership arrangement that expires in March 2025. As the Waste Disposal Authority, Staffordshire County Council has a statutory obligation to provide waste disposal solutions for the waste collected at the kerbside by the Waste Collection Authorities i.e. the District and Borough Councils.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £26,700,000

II.2) Description**II.2.3) Place of performance**

NUTS codes

- UKG2 - Shropshire and Staffordshire

II.2.4) Description of the procurement

The Services agreement has been made on the basis it can be demonstrated (in accordance with Regulation 32 of the Public Contracts Regulations 2015) that the required service can only be provided by particular provider (in this case, SOTCC) because competition is absent for technical reasons.

II.2.5) Award criteria

Price

II.2.11) Information about options

Options: No

II.2.14) Additional information

This is a 5 year contract. No options to extend within the contract.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The agreement has been made on the basis it can be demonstrated (in accordance with Regulation 32 of the Public Contracts Regulations 2015) that the required service can only be provided by particular provider (in this case, SOTCC) because competition is absent for technical reasons.

Waste industry focused Technically, Environmentally and Economically Practicable (TEEP) analysis has been undertaken to demonstrate the technical reasons that the competition is absent. Of the 55,000 tonnes (t) of statutory residual waste delivered to the Hanford ERF by SCC, approximately 35,000t are direct delivered via Refuse Collection Vehicles (RCVs), with the remaining 20,000t delivered via transfer stations.

For the 35,000t direct delivered material, it is not operationally viable to transport this waste long distances on RCVs without substantially impacting the WCAs waste operations and negatively impacting residents' kerbside bin collections. Consequently, the disposal solution needs to accommodate short haulage distances for direct delivered material or include the provision of a suitable local transfer station with sufficient capacity, availability and flexibility for this material.

The remaining 20,000t delivered via transfer stations is committed as balancing tonnage at SCC's other ERF facilities to manage availability obligations and thus requires substantial flexibility to meet SCC's existing contractual agreements.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section V. Award of contract

Contract No

IA3561

Title

Contract for Waste Disposal - Hanford Energy Recovery Facility

A contract/lot is awarded: Yes

V.2) Award of contract

V.2.1) Date of conclusion of the contract

10 March 2025

V.2.2) Information about tenders

Number of tenders received: 1

The contract has been awarded to a group of economic operators: No

V.2.3) Name and address of the contractor

Stoke-on-Trent City Council

Civic Centre, Glebe Street

Stoke on Trent

ST4 1HH

Country

United Kingdom

NUTS code

- UKG23 - Stoke-on-Trent

Justification for not providing organisation identifier

Not on any register

The contractor is an SME

No

V.2.4) Information on value of contract/lot (excluding VAT)

Total value of the contract/lot: £26,700,000

Section VI. Complementary information
