**Planning** 

# Re-roof, installation of solar and ground source heating systems

Peacehaven Town Council

UK3: Planned procurement notice - Procurement Act 2023 - <u>view information about notice</u> <u>types</u>

Notice identifier: 2025/S 000-012072

Procurement identifier (OCID): ocds-h6vhtk-04ec36

Published 31 March 2025, 3:51pm

## Changes to notice

This notice has been edited. The <u>previous version</u> is still available.

The contract is not reserved for contractors based in East Sussex

## Scope

## **Description**

- 1. Removal of the existing gas fired heating and hot water systems.
- 2. Replacement of the existing roof coverings, incorporating enhanced thermal efficiency.
- 3. Installation of heat pump(s) and roof-mounted solar panels which provide complementary energy supplies to support the lighting, space and water heating facilities in the building. (The Council wishes to explore the costs of either ground-source or airsource heat pumps or a combination of both to achieve maximum public benefit and value for money)
- 4. It is expected that the works will produce a building which will support the ambition of the Town Council to move towards a zero-carbon Peacehaven.

#### **Contract dates (estimated)**

- 21 July 2025 to 29 August 2025
- 1 month, 9 days

# **Options**

The right to additional purchases while the contract is valid.

The Town Council is seeking to move the building towards net-zero and wishes to consider the alternative costs of ground-source and air-source heat pumps in addition to the installation of roof mounted photovoltaic panels.
