Description

The purpose of this procurement is to select and implement a modern, secure, fully bilingual (Welsh and English) Human Resources Information System (HRIS) that will replace Social Care Wales's current HR platform (Ciphr). The new system must improve and streamline HR processes, support efficient workforce management, ensure legal compliance with Welsh language standards, and provide better user experience for employees, managers, and HR teams.

It aims to deliver a solution that enables a smooth, well-managed implementation ready for Day?1 operation on 1 September 2026.

Competitive flexible procedure

Competitive flexible procedure description

Social Care Wales will run this procurement using a three-stage Competitive Flexible Procedure, structured as follows:

Stage 1 — Conditions of Participation: Suppliers will submit responses to Welsh procurement specific questionnaire's (WPSQ). These will be assessed on a pass/fail basis to confirm minimum capability, relevance, and suitability to deliver the HRIS solution.

Stage 2 — Invitation to Submit a Tender: All suppliers who pass Stage 1 will be invited to submit a full tender response, comprising of Quality, Social Value and Cost. Tenders will be evaluated on a most advantageous tender (MAT) basis, in accordance with the published criteria and weightings.

Stage 3 — Product Demonstrations: The top three scoring suppliers from the tender evaluation will be shortlisted and invited to deliver a structured product demonstration. Demonstrations will assess system capability, bilingual functionality, usability, and alignment with Social Care Wales' requirements.

A final moderated score will be applied following demonstrations to determine the preferred bidder.
