VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Extension of the term of the contract.

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and

explanation of the unforeseen nature of these circumstances:

The reasons for the proposed extension are due to the impact of Covid-19 and the uncertainty regarding the future, together with the need to remain in a strong position to maintain

contract stability to deliver the enforcement requirements associated with the Commonwealth Games

Summer 2022. Also, sufficient time needs to be allowed to complete the re-commissioning process, which would include the work to review and update the service specification.

In addition, it is expected that local authorities will be given the powers to enforce moving traffic offences within the next 12-18 months and by delaying the re-procurement until

If this is the case, the contract specification can be modified accordingly for the replacement enforcement contract

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £18,630,926

Total contract value after the modifications

Value excluding VAT: £21,330,926
