Section VI. Complementary information

VI.3) Additional information

The Contractor shall supply, up to 65,000 bedding plants each year to specific locations within the Borough of Newcastle-under-Lyme, delivered over an 8 day working period as specified within the documents, the seasonal bedding plants required to produce the floral displays.

The work shall also include for the collection from the Council of the hanging baskets which are currently about 200 in number of various sizes, (This number changes from year to year due to sponsorship requirement), making up, growing on and the delivery of these, to

specific locations within the Borough.

The Authority has no central nursery and a depot that is not suitable for the storage of bedding plants; all plants are to be delivered to the respective flower beds within the Borough at 6.30 am over 1-2 consecutive days delivered to various local locations daily.

It is important that the plant cost within the bill of quantities reflects the full cost of delivery.
