Framework operation description

NHS Supply Chain seeks to establish a Cardiac and Pulmonary Diagnostics and Exercise

(Stress) Testing Solutions intended to cover Electrocardiograph (ECG) Devices and Management Systems, Ambulatory Monitoring, Wearable Recorder Devices and Related Services and Exercise Tolerance Testing (ETT), Cardiopulmonary Exercise Testing (CPET), and Pulmonary Function Testing (PFT) Systems and Related Products and Services

It is anticipated that in the first 12 months of the Framework Agreement the value of purchases will be circa £17,300,000.00 (exc VAT) however this is approximate only and may vary depending on requirements of bodies purchasing under the Framework. The Framework Agreement between NHS Supply Chain and successful Tenderers will reserve the right to purchase the same or similar supplies from Tenderers not appointed to the Framework at its sole discretion.

For Goods/Services ordered via the Direct Route of Supply as set out in the Framework Agreement Award Pack, the following Participating Authorities are entitled to place Orders: 1) the Authority; 2) any NHS Trust; 3) any other NHS entity; 4) any government department, agency or other statutory body; and/or 5) any private sector entity active in the UK healthcare sector.

Award method when using the framework

With competition

Contracting authorities that may use the framework

Establishing party only

Participation

Legal and financial capacity conditions of participation

Lot 1. Electrocardiograph (ECG) Devices and Management Systems

Lot 2. Ambulatory Monitoring, Wearable Recorder Devices and Related Services

Lot 3. Exercise Tolerance Testing (ETT), Cardiopulmonary Exercise Testing (CPET), and Pulmonary Function Testing (PFT) Systems and Related Products and Services

The Contracting Authority reserves the right to require groupings of entities to take a particular form, or to require one party to undertake primary legal liability or to require that each party undertakes joint and several liability.

Particular suitability

Lot 1. Electrocardiograph (ECG) Devices and Management Systems

Lot 2. Ambulatory Monitoring, Wearable Recorder Devices and Related Services

Lot 3. Exercise Tolerance Testing (ETT), Cardiopulmonary Exercise Testing (CPET), and Pulmonary Function Testing (PFT) Systems and Related Products and Services

- Small and medium-sized enterprises (SME)
- Voluntary, community and social enterprises (VCSE)

Submission

Enquiry deadline

2 March 2026, 3:00pm

Tender submission deadline

9 March 2026, 3:00pm

Submission address and any special instructions

The Framework Agreement will be between NHS Supply Chain and the Tenderer, however 1) NHS Supply Chain, 2) any NHS Trust; 3) any other NHS entity; 4) any

government department, agency or other statutory body and/or 5) any private sector entity active in the UK healthcare sector will be able to enter into a direct contract with the Tenderer for any of the supplies and/or services under the Framework.

Electronic ordering will be used and electronic invoicing will be accepted and electronic payment will be used. For the avoidance of doubt, and notwithstanding the estimate indicated within the scope, NHS Supply Chain does not guarantee any level of purchase through the framework and advises Tenderers that the framework shall be established on a non-exclusive basis. Tenders and all supporting documentation for the contract must be priced in sterling and written in English. Any agreement entered into will be considered a contract made in England according to English law and will be subject to the exclusive jurisdiction of the English Courts. NHS Supply Chain is not liable for any costs (including any third party costs fees or expenses incurred by those expressing an interest, participating or tendering for this contract opportunity. NHS Supply Chain reserves the right to terminate the procurement process (or part of it), to change the basis of and the procedures for the procurement process at any time, or to procure the subject matter of the contract by alternative means if it appears that it can be more advantageously procured by alternative means. The most economically advantageous or any tender will not automatically be accepted. All communications must be made through NHS Supply Chain's eTendering portal at <https://nhssupplychain.app.jaggaer.com//> using the Message Centre facility linked to this particular contract notice.

INSTRUCTIONS FOR REGISTRATION AND PORTAL ACCESS

Submission of expression of interest and procurement specific information:

This procurement exercise will be conducted on the NHS Supply Chain eTendering portal at: <https://nhssupplychain.app.jaggaer.com//>

Suppliers wishing to be considered for this contract must register their expression of interest and provide additional procurement-specific information (if required) through the NHS Supply Chain eTendering portal as follows:

Registration.

1. Use URL <https://nhssupplychain.app.jaggaer.com//> to access the NHS Supply Chain Procurement portal.

2. If not yet registered:

— Click on the 'Not Registered Yet' link to access the registration page.

— Complete the registration pages as guided by the mini guide found on the landing page.

Portal access.

If registration has been completed:

— Login with URL <https://nhssupplychain.app.jaggaer.com//> .

— Click on ITTs Open to All Suppliers.

— Select from the following ITTs:

ITT_2023 Procurement Specific Questionnaire All Lots

ITT_2025 - Lot 1 - Electrograph (ECG) Devices and Management Systems

ITT_2026 - Lot 2 - Ambulatory Monitoring, Wearable Recorder Devices and Related Services

ITT_2027 - Lot 3 - Exercise Tolerance Testing (ETT), Cardiopulmonary Exercise Testing (CPET), and Pulmonary Function Testing (PFT) Systems and Related Products and Services

— Click on 'Express Interest'

— Read 'Information' dialogue box then 'Confirm'

IMPORTANT: Please note you **MUST** respond to ITT_2023, AND one/or all Lot specific ITT's.

Suppliers are strongly advised to read all of the tender documentation provided thoroughly to know how to submit a fully compliant Tender before the submission deadline.

Suppliers are encouraged to download the supplier handbook located within the eProcurement portal by following the 'Supplier Helpcentre' link within the Useful Links section of the Dashboard.

For any technical help with the portal please contact:
