II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

United Kingdom

II.2.4) Description of the procurement

This lot is specifically for consultancy and design services where a solution is yet to be defined. The purpose of this lot is to attract independent consultants who can utilise expertise from a technical standpoint, offering objective recommendations to support a tendering process for an outsourced ICT service by working in conjunction with an institutions' procurement staff.

Service is expected to culminate in a final objective report, which may be the result of (but is not limited to):

- Fact-finding processes, liaising with engineers and IT support staff, data analysis, determining information system requirements and defining project objectives
- Making recommendations such as suggesting appropriate hardware, software, systems, service levels etc.
- Compiling reports and presenting information, understanding practices and the objectives of the institution, assisting with the creation of IT strategies and the development of effective IT procedures, analysis of data and potential issues
- Assessment of security loopholes, obsolete assets, inefficiencies etc.
- Assisting with tendering processes from a technical standpoint, including providing technical advice to benefit tender clarifications and evaluation.

II.2.5) Award criteria

Quality criterion - Name: Customer Requirements / Weighting: 70.00%

Price - Weighting: 30.00%

II.2.11) Information about options

Options: Yes

Description of options

48 month(s) from the commencement date, with 24 initial month(s) and option to extend 2x12 month(s)
