#### **II.1.4) Short description**

Wokingham Borough Council is looking to engage with the market to develop an understanding of software available to aid school placements for the borough.

We would be interested in understanding about any products that suppliers may be able to offer, covering the following functionalities:

- roll projections for the borough's primary, and secondary schools for 5 and 7 years respectively
- projections to be based on academic year
- reporting on the basis of planning areas, based on aggregated school rolls
- scenario testing, including variations in housing numbers (by area), variations in migration rates, variations in cross border movement
- ability to export projections data in printable Excel format

We are looking to hold a Market Engagement event on Tuesday 23rd of May.

1-hour slots are available at request to provide information on the system and how the functionality would assist with our requirements outlined above:

10am – 11am

11.15am – 12.15am

2.00pm – 3.00pm

3.15pm – 4.15pm.

If you are interested in discussing the above with us, please express interest via the Messaging function of ProContract and we will get in touch with you to offer a slot. Please provide the following details:

- company name
- product name
- point of contact
- names and email addresses for all attendees

Meetings will be virtual via MS Teams.

We will send out an area of functionalities we would like to see within the demo.
