II.1.4) Short description

This Framework is intended to satisfy the requirements of all public sector bodies, and specific private sector organisations who are required to utilise the Public Contract Regulations 2015 (as amended) for their procurement of Facilities Management (FM) solutions including all premarket consultancy and design, specification creation, hard FM requirements, soft FM requirements, service, support and any other requirements necessary for successful implementation and delivery.

The Framework Agreement will be split in Lots based on FM Service, to include:

1 Cleaning Services

2 Car Park Management

- 3 EV Charging Points
- 4 Catering
- 5 Furniture and Management Services
- 6 Grounds Maintenance/Horticultural Services
- 7 Repairperson Services
- 8 Helpdesk Services

Supplier can bid for as many Lots as they choose to cover the services provided. Suppliers should only bid for those Lots that the Supplier would provide in their own right or via a sub-contracting arrangement and not as part of another services. For example if a Supplier would only provide a Cleaning Service as part of a Bundled Service, they should bid for the Bundles Service only - however should be aware that the specifications for those Lots would apply should they be awarded.

The duration of the Agreement will be 4 years maximum; 3 years initial period with the option of extending for up to 12 months.
