II.1.4) Short description

The University of Southampton (the "University") is looking to establish non-exclusive Framework Agreement with appropriate professional consultants. The framework is intended to support the University in the delivery of minor capital, refurbishment and maintenance projects valued up to £5m (net construction cost).

The Framework consists of 2 (two) Lots. The Lots may be assessed and awarded independently, and at different times.

The method of Call-Off from the Framework Agreement is detailed in the contract documents.

Individual project construction values are anticipated to range between £0 and £5m and will include infrastructure maintenance and upgrades, refurbishments, demolition and some limited new build projects.
