- 63712700 - Traffic control services

II.2.3) Place of performance

NUTS codes

- UKM75 - Edinburgh, City of

II.2.4) Description of the procurement

The City of Edinburgh Council is seeking a supplier who can provide rental of rated hostile vehicle mitigation equipment and associated services to support the security of events and public spaces. Acceptable ratings are IWA-14 or PAS68. The equipment must be suitable for deployment in high-traffic areas, including pedestrian permeable solutions, and must be able to mitigate the effects of hostile vehicle attacks. The rental hostile vehicle mitigation equipment should be available in a range of sizes and configurations, to allow for deployment in a variety of environments. The supplier must also provide storage and deployment options.

The rental period for the equipment will vary depending on the individual event needs, and suppliers must be able to provide flexible rental terms to accommodate these varying requirements..

Interested suppliers should register their interest at this stage. The City of Edinburgh Council may be in contact to discuss this requirement.

II.3) Estimated date of publication of contract notice

15 June 2023

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
