## **Scope**

## **Description**

The aim of this tender is to appoint a service provider to carry out cyclical maintenance to our portfolio of Sewage Treatment Plants including;

- Carrying out servicing and inspection of each site as per attached schedule and providing a detailed report.
- Carrying out Annual desludges of each site as per attached schedule and providing photographic evidence of these desludges.
- Taking meter readings (including photographs of these readings) at each site visit.
- To provide quotations for works identified during cyclical maintenance and complete these works as and when instructed by Connexus.
- To provide emergency attendance on site if required.
- To install an alarm monitoring system to each site that will send a text alert to your company if the plant is down due to reasons such as pump failure, high / low level alarm or power failure for example and then attend call outs from these system alerts.

Connexus currently have 24 sites across Shropshire and Herefordshire that will require servicing and desludging as part of this contract.
