Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Panel of Technical Experts - Electricity Market Reform

II.1.2) Main CPV code

- 71314000 - Energy and related services

II.1.3) Type of contract

Services

II.1.4) Short description

The Panel of Technical Experts (PTE) is an independent advisory group, members of which are appointed by government to advise on technical aspects of Electricity Market Reform. The role of the panel is a technical function and not a forum for policy commentary or for advising the government on its objectives for the capacity market or wider policy issues. They have a particular focus on providing scrutiny of the analysis in National Grid's annual Electricity Capacity Report (ECR), which provides a recommendation on the target capacity for capacity market auctions. A report with their findings is published annually following the publication of the ECR and the Secretary of State's decision on the target capacity.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £420,000

II.2) Description
