Crown Commercial Service as the authority intends to put in place a new pan government collaborative agreement for the provision of income generation from estates, assets and Intellectual Property (IP). This will be a Dynamic Purchasing Solution where suppliers can join throughout the life of the agreement.

This agreement will be used by Central Government Departments, their agencies (including publicly owned transport organisations), Non Departmental Public Bodies, and all other UK Public Sector bodies, including local authorities, health, education providers, devolved administrations and charities.

The agreement will enable government and public sector bodies to run mini competitions to establish contracts with suppliers for income generation services including but not limited to the following services:

self service vending

automated retail

pop up retail

automated cash machines (ATMs)

photo booths

reverse vending

portable battery chargers for mobile devices

delivery lockers

commercial advertising and experiential

brand licensing

commercial sponsorship

CCS is also intending to create a framework agreement for income generation from commercial out of home advertising, experiential and car park management. There is a separate PIN for the framework agreement (RM6349).

## **Section VI. Complementary information**

## VI.3) Additional information

We have undertaken an extensive market engagement programme and are working collaboratively with organisations across government and the public sector, including public transport providers, local authorities, the NHS and universities.

This engagement has informed the development of the agreement and the estimated total value. Note this may be subject to change prior to publication of the ITT.

We are continuing to seek interest from suppliers who are capable of providing services in these markets.

To register your interest please email [marcommsandresearch@crownccommercial.gov.uk](mailto:marcommsandresearch@crownccommercial.gov.uk) stating 'Income Generation from Estates & Assets RM6349 & RM6350 - Market Engagement' in the subject line and provide your contact details, organisation name, job title, organisation website link.

Please note that, to register, you must have a valid DUNS number (as provided by Dun and Bradstreet) for the organisation which you are registering, who will be entering into a contract if invited to do so.

The value in II.1.5 is an indicative value over 4 years.

The date in II.3) is the estimated date of publication, please refer to the CCS website page <https://www.crownccommercial.gov.uk/agreements/RM6350> for updates and monitor Find A Tender Service for the publication of the contract notice.

The Cyber Essentials scheme is mandatory for Central Government Contracts which involve handling personal information and providing certain ICT products and services. The Government is taking steps to further reduce the levels of cyber security risk in its supply chain through the Cyber Essentials scheme. The scheme defines a set of controls which, when properly implemented, will provide organisations with basic protection from the most prevalent forms of threat coming from the internet.

To participate in this procurement, bidders will be required to demonstrate that they are Cyber Essentials certified for the services under and in connection with the procurement.
