Engagement process description

An online briefing event was held on the 25th of November 2024. This was followed up by 1:1s held with suppliers looking through a list of questions about the outline commercial position that was the subject of the online brief. These 1:1s lasted until early January.

Feedback enables the CA to further define its commercial position.

Another online brief was held on the 24th of March 2025. Further 1:1s will be held from this date, until mid-to-late May. During this time, online briefs on smaller, specific may also be held to receive targeted feedback about certain any points.

Broadly, topics over the next few months will be:

- * business case and lot strategy
- * assets and depots;
- * network planning and management;
- * fleet;
- * customer requirements;
- * contracting and commercial position, including timing and structure of the procurement process;
- * data, systems, processes.

The timings of these topics is subject to change, and we will publish further details in due course. The best way to stay up to date is to join our mailing list (below).
