#### **II.2.4) Description of the procurement**

This procurement was conducted using a two-stage restricted procedure in accordance with the Public Contracts Regulations 2015 (PCR 2015).

Stage 1 (Current Stage): This was the selection stage where we assessed the capability, capacity, and experience of potential suppliers. Suppliers are required to complete this Selection Questionnaire, which was then evaluated on a pass/fail basis against the criteria set out in the document.

Stage 2 (Invitation to Tender): Suppliers who successfully passed Stage 1 were invited to participate in Stage 2. In this stage, qualified suppliers received detailed specifications and were asked to submit full tenders. These tenders were evaluated based on a combination of quality and price factors, which were fully explained in the Stage 2 documentation.

This FTS Restricted Stage 1 document provided a detailed statement of the context, scope and objectives for the procurement of A Digital Local Risk Management and Incident Reporting System that will meet the Trust's business requirements.
