Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed

below

- The services can be provided only by a particular economic operator for the following reason:
 - protection of exclusive rights, including intellectual property rights

Explanation:

As part of a regional ICT strategy there are a number of healthcare information systems which will fall under the

scope of a regional solution. The EDAM EVOLVE system has been established in South Eastern Trust

for a number of years and falls within the scope of the regional strategy. To ensure continuity of service to the

population served by South Eastern Trust until the regional solution has been implemented, support for the

existing system is required. The system is subject to intellectual property protection and therefore not openly

supported by third parties.
