The aim is to attract an operator that can bring significant capital investment to the facility, protect, develop and enhance the existing programme. Manage, develop existing staff (TUPE will apply) and recruit new staff to grow and develop the educational offer. Provide new educational opportunities for children and young people linking with local schools, colleges and targeting children at risk of failing in mainstream education through providing vocational education opportunities. To modernise systems and develop the riding school as an equestrian centre of development and excellence.

The Council invites interested prospective contractors to lodge an initial expression of interest via Proactis and submit a questionnaire response before 12:00 noon on 11th March 2026
