terminate the contract.

The total value of the extension is 1.00GBP.

Further information in VII.2.2 below.

### **VII.2.2) Reasons for modification**

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

It has become necessary to extend the contract until 31 May 2024 to facilitate the development and design of a new procurement. The EANI shall have, at its absolute discretion, the ability to terminate the contract by giving the contractor written notice of its intention to terminate. The EANI does not intend to extend the value of this contract beyond the modification value referenced in VEAT 2022/S 000-010136 published on 15 April 2022. Rather, this publication is to extend the time on the contract. To secure continuity, the provisions of the contract as referenced in VEAT 2021/S 105-278042 remain.

Regulation 72(1) (b) further permits this extension as a change of provider:

- (i) cannot be made for economic and technical reasons for reasons of interchangeability and interoperability with the initial procurement; and
- (ii) would cause significant inconvenience or substantial duplication of costs.

EANI envisages new contract award by 31/05/24.
