- UKE - Yorkshire and the Humber

II.2.4) Description of the procurement

Expansion to the current infrastructure already in place with the provider Proact who act as a main provider for Netapp Storage as a service for the University of Sheffield.

Based on the existing infrastructure and the provider Proact being a registered partner with Netapp, they were awarded utilising the NHSSBS DWS framework with the direct award option used based on then being able to fulfil the requirement in the timescales provided.

II.2.5) Award criteria

Price

II.2.11) Information about options

Options: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

This was procured via a Framework, the NHSSBS Digital Workplace Solutions with a reference number of SBS/19/AB/WAB/9411.

The direct award option was utilised as this is an extension to the current infrastructure that the supplier already provides for the university. The provider is also the registered main partner for the Netapp storage which was part of this procurement purchase.

The supplier awarded has been through the original framework establishment and was awarded onto this framework following a full procurement process being followed with publication onto FTS/TED.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section V. Award of contract

A contract/lot is awarded: Yes
