## **Section III. Legal, economic, financial and technical information**

### **III.1) Conditions for participation**

#### **III.1.2) Economic and financial standing**

List and brief description of selection criteria

CMAL will obtain a financial report from Dun & Bradstreet using the company registration numbers submitted by Tenderers (and where the Tenderer is a Consortium, for all members of their Consortium) with their response. If any Tenderer (including any Consortium member) is assessed as an overall business risk of "high", the Tenderer will fail the economic and financial standing test.

Minimum level(s) of standards possibly required

If any Tenderer (including any Consortium member) is assessed as an overall business risk of "high", the Tenderer will fail the economic and financial standing test.

#### **III.1.3) Technical and professional ability**

List and brief description of selection criteria

Tenderers will be required to provide three (3) examples of projects which involved works of a similar scope, complexity and value to this project that demonstrate that the Tenderers has relevant capability and experience to deliver the works as described in the contract notice and detailed in CMAL's tender documents. Examples should be from projects completed within the past seven (7) years.

If Tenderers intend to use a supply chain to deliver the requirements detailed in the Contract Notice, they should confirm they have (or have access to) the relevant supply chain management and tracking systems to ensure a resilient and sustainable supply chain.

Tenderers will be required to confirm that they will allow checks to be conducted on their production and technical capacities and on the quality control measures employed.

Bidders will be required to confirm that they will employ environmental management measures that meet the requirements detailed in the tender documents

Minimum level(s) of standards possibly required

Tenderers will be required to confirm that they have a quality assurance system in accordance with the requirements of BS EN ISO 9001:2015, or equivalent.

b) Tenderers are required to confirm that they hold a UKAS (or equivalent), accredited independent third-party certificate of compliance in accordance with BS EN ISO 45001 (or equivalent) or have, within the last 12 months, successfully met the assessment requirements of a construction-related scheme in registered membership of the Safety Schemes in Procurement (SSIP) forum.

c) Tenderers will be required to confirm that they have a health and safety management system complying with BS EN ISO 45001, or equivalent.

## **III.2) Conditions related to the contract**

### **III.2.3) Information about staff responsible for the performance of the contract**

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Open procedure

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: Yes

### **IV.2) Administrative information**

#### **IV.2.2) Time limit for receipt of tenders or requests to participate**
