## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

Justification; Due to operational & resourcing constraints faced both internally within the stakeholder dept, Criminal Justice & externally with partnering agencies, incl NHSE Commissioning who are assisting with essential elements of medical/clinical input, along with the volatility of the medical staffing market (circa 50,000 nursing vacancies) CJ & NHSE were unable to provide dedicated resource to the re-tendering process & the potential

workload involved in the mobilisation/implementation for any new provider for this service at that current time. CJ & NHSE pipelines indicate resource will be available mid 24. To undertake effective re-procurement of our custody healthcare provision TVP will benefit from knowing the outcome of the ongoing NHSE re-procurement of our L&D service, to understand exactly what this provision will deliver in the future & what healthcare capability

TVP therefore needs to commission. From a value for money perspective, this delay will also reduce the risk of over-commissioning services that may be provided through the L&D

contract.
