Award

## Public Consumption API

Office of Rail and Road

UK6: Contract award notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-012430

Procurement identifier (OCID): ocids-h6vhtk-04fbbe

Published 2 April 2025, 10:29am

## Scope

## Reference

ORR/ST/24-99

## Description

The public consumption API is an external user-interface to our underlying, publicly available data within our data lakehouse. To align with our Data Strategy aim of automating processes and outputs, this tool will allow users to query our data lakehouse and extract information from it, providing an efficiency saving on our monthly production of data tables. It will also provide users with machine-readable outputs that can be exported and re-used.
