Under the terms of this contract the successful supplier(s) will be required to deliver Community Benefits in support of the authority's economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The Community Benefits included in this contract are:

This Contract will be using a 'Non-Core' approach to Community Benefits.

In delivering this Contract, the Council is committed to pursuing 'Community Benefits' which will contribute to the social, economic and environmental well-being of the wider community. The Council believe procurement is key in helping to deliver a vibrant economy capable of delivering strong and sustainable growth.

The pursuit of Community Benefits through tender exercises and subsequent contracts ensure we achieve the best value for money in the widest sense.

Examples of Community Benefits are:

- Volunteering Days;
- Contribute to community schemes;
- Sponsorship of mini sporting tournaments e.g. rugby or football etc;
- Work placements for secondary-school children and college students;
- Visits to primary schools to engage with younger children and raise awareness of equalities issues;
- Provide educational opportunities to local schools, again to raise awareness of equalities e.g. site visits etc

Tenderers are expected to identify how they will achieve Community Benefit's during the life of this Contract, if successful, and are asked to outline their approach in their response to Method Statement 5.

The Community Benefit Plan will NOT be evaluated or scored as part of the tender process. However, the successful Supplier will be expected to deliver and report on the subsequent delivery of Community Benefits detailed in their Method Statement, throughout the life of the Contract.
