Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:

  - protection of exclusive rights, including intellectual property rights

Explanation:

The Council is looking to contract for support and maintenance for its existing SAP licences. The Council is looking to contract for ongoing support and maintenance to enable the council to access fixes, patches and new versions. The contract is not to procure a new system or solution, it is solely to support the system it has previously procured. Competition is absent for technical reasons and the protection of exclusive rights (source code, SAP do not allow other 3rd parties to provide support and maintenance of the intellectual property). No alternative or

substitute exists that can provide the licence support and maintenance. The Council is still developing SAP and so requires access to all updates.

Please note that the operational support contract is not included in this notice. This contract was tendered via an open process and on expiry the Council will conduct a further open transparent procurement process.
