VI.3) Additional information

As of the date of publication of this notice our frameworks may be used by all contracting authorities in England, Wales and Scotland as defined by the Public Contracts Regulations 2015 and as listed on <https://www.lhc.gov.uk/who-we-work-with/> including, but not limited to Registered social landlords (RSL's), tenant management organisations (TMOs) and arm's length management organisations (ALMOs), local authorities and any subsidiaries and joint-venture vehicles of those local authorities, health authorities, councils, boards and trusts, publicly funded schools, universities and further education establishments, colleges, police forces, fire and rescue services and registered charities.

Please note within each lot listed in section V there are a number of regional areas. For each lot the contractors awarded a position on the framework will have been appointed for one or more of the regional areas available within the lot, but may not be appointed in all regional areas within a lot.

Under the terms of this contract the successfully appointed contractors will be required to deliver community benefits in support of the public body's economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The community benefits included in this contract are:

- to generate employment and training opportunities for priority groups,
- vocational training,
- to up-skill the existing workforce,
- equality and diversity initiatives,
- to make sub-contracting opportunities available to SMEs, the third sector and supported businesses,
- supply-chain development activity,
- to build capacity in community organisations,
- educational support initiatives.

Clients wishing to use the framework will need to refer to the further information and guidance document available for this framework which will be available on the SPA website or request further information from a representative of the LHC group to identify the specific

list of contractors appointed in each regional area within each lot.

This framework will commence on 07 June 2021 and will last for a period of 48 months, ending on 06 June 2025
