The Council provides a wide range of personal and strategic services on behalf of its residents, operating in partnership with the NHS Kent and Medway Clinical Commissioning Group, 12 district councils, and 289 parish/town councils.

This service is being commissioned on behalf of the Growth, Environment and Transport directorate.

The A20 Coldharbour Roundabout scheme requires the design and construction of a new larger roundabout to replace the existing signal-controlled roundabout junction on the A20 at Coldharbour Lane. The junction connects the A20 corridor to the Strategic Road Network at Junction 5 of the M20.
