Supplies

II.1.4) Short description

South Lanarkshire Council's Ground Services have an ongoing requirement to procure for the supply of Grounds Maintenance Materials that are currently stocked at five depots: East Kilbride, Lanark, Blantyre, Rutherglen and Hamilton for distribution and use throughout the Council area.

The contract objective is to ensure the continuity of provision and fit for purpose goods in line with the current standards/legislation are held in stock at appropriate levels.

A suitable and accessible route to market has been identified: by using a multiple supplier contract in accordance with the Open procedure by advertising in the Find a Tender website for the Provision of Grounds Maintenance Materials to support in-house service provision which comprises of the following lots:

Lot 1 – Supply and Delivery of Herbicides (Total and Selective)

Lot 2 – Supply and Delivery of Fertilisers

Lot 3 – Supply and Delivery of Fungicides

Lot 4 – Supply and Delivery of Turf (including Specialist Turf)

Lot 5 – Supply and Delivery of Grass Seed

Lot 6 – Supply and Delivery of Pitch Liner

Lot 7 – Supply and Delivery of Top Dressing

Lot 8 – Supply and Delivery of Bunker Sand

Lot 9 – Supply and Delivery of Bark Products

Bidders may submit tenders for one, several or all of the lots. Where tenders may be submitted for several or all lots: -

- the maximum number of lots that may be awarded to one bidder is nine and
- the following lots or groups of lots may be combined – all lots.

The contract will be for the period 6 April 2023 for a period of 5 years to 31 March 2028 with no option to extend.

II.1.6) Information about lots

This contract is divided into lots: Yes

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £3,109,015.90

II.2) Description

NUTS codes

- UKM95 - South Lanarkshire

II.2.4) Description of the procurement

Lot 1 – Supply and Delivery of Herbicides (Total and Selective)

All products offered by tenderers must be compliant with PPPR, COSHH and COPR Regulations.

All products offered by tenderers must be registered, approved and listed on the Chemicals Regulations Directorate's Pesticides Register Database, and as such tenders must list their offered products' MAPP or MAFF products registration number on the appropriate area on the Pricing Schedule.

All products offered must be compatible with the Council's current methods of application; Knapsack and/or CDA. Please note that any products to be applied using CDA must be a premixed formula.

Due to the operations of the Council, all offered products must be certified as safe/approved to get into the water stream.

All products should be provided in clean, undamaged containers, ready to be applied.

All empty or spent containers within this lot are required to be uplifted and disposed of in line with industry legislation for hazardous waste and rates provided should include any costs for this. Uplift and disposal to be scheduled to each of our Depots (E.K. Quay Road etc) when required.

The contract will be procured via Open route and will be in accordance with the Council's standard terms and conditions - supply.

The contract will be awarded on the basis of the most economically advantageous tenders received.

The commercial weighting for this tender will be set at 70% and the technical weighting will be set at 30%.

II.2.5) Award criteria

Quality criterion - Name: Technical / Weighting: 30

Price - Weighting: 70

VI.3) Additional information

SPD Question 4D.1 Quality Assurance Schemes

Quality Assurance It is a mandatory requirement of this tender that successful bidders hold the following quality standard/accreditation:

ISO 90001:2015 Quality Management System (or equivalent)

Successful bidders were required to provide evidence of the above certification in the Additional Attachment area of the Qualification envelope. Bidders were required to confirm whether or not they can evidence this requirement by selecting Yes or No from the options list provided. Please refer to the attached Quality Assurance Requirements document for further details.

SPD Question 4D.2 Environmental Management Standards

"It is a mandatory requirement of this tender that bidders hold the following environmental standard/accreditation:

ISO 140001:2015 Environmental Management System (or equivalent)

Bidders were required to confirm whether or not they can evidence this requirement by selecting Yes or No from the options list provided and upload evidence of the above certification in the Additional Attachment area of the Qualification envelope. Please refer to the attached Environmental Management Requirements document for further details."

Declarations and Certificates

In an open tendering procedure prior to any award being made the successful bidder was required to provide the undernoted certificates, declarations and/or completed questionnaires to evidence their compliance with the relevant questions within the Qualification Envelope.

SPD Question 2D.1 Prompt Payment Certificate

Declaration Section *Form of Tender

SPD Question 3D.11 Non-Collusion Certificate

SPD Question 4C.6 Goods Vehicle Operator's Licence Declaration

SPD Question 4B.5.1 Insurance Certificates

SPD Question 3A.6 Modern Slavery Act 2015 Declaration

*The 'Form of Offer to Tender' was required to be completed and uploaded within the relevant question in the Commercial Envelope.

In the case of an open tender, the other Declarations listed above were not required to be uploaded and submitted with the bid but will instead be requested by the Council following the conclusion of the evaluation of the Qualification, Technical and Commercial Envelopes and prior to the award of the tender.
