Scope

Description

This notice is to invite engagement from suppliers who may be interested in submitting a tender response for a closed framework agreement covering the following:

Access to Quarries and Supply of Materials: supply for construction materials and aggregates.

Recycling Centres: Access to recycling centres for tipping of construction waste (either direct tipping or waste collection).

Landfill Sites: Access to landfill sites (all types) for tipping of construction waste (either direct tipping or waste collection).

The requirements above initially will be to support Severn Trent's AMP 8 period and Mains Renewal programme, however there may be wider opportunities within Severn Trent's organisation in the future.

This procurement description is for information only and some details may be amended/changed in the future following the preliminary market engagement and development of the sourcing strategy.

Any future Tender Notice published in connection to this Pre Market Engagement is optional.

This Preliminary Market Engagement Notice is optional, and does not contribute to the procurement process.
