Scope

Description

In October 2023, the UK and Ireland successfully secured the rights to host UEFA EURO 2028. The tournament will take place in England, Scotland, Wales and Republic of Ireland over 31 days in June and July, and will attract the attention of the sporting and major event communities, the media, and the public at large across the UK & Ireland, Europe and the World. A projected 1 million international visitors will visit the UK & Ireland during the tournament. Delivery Partners are committed to evaluating the impacts of the tournament to evidence the value of their investment and the benefits which will accrue throughout the tournament hosting period.

Delivery Partners are now seeking to appoint a supplier who will be responsible for evaluating the benefits and impacts of the tournament from 2026-2030. The Successful Tenderer will have the capability to effectively deliver on a diverse range of multi-disciplinary analysis requirements across both the UK and Ireland as part of a single, cross-nation, multi-jurisdictional evaluation of the benefits and impacts of the tournament. There will be 6 key outputs from the work:

- 1) An Evaluation Plan
- 2) An assessment of the viability of extending the Evaluation Programme to 2033
- 3) A pre-tournament report
- 4) A post-tournament flash report
- 5) A post-tournament full report
- 6) A post-tournament legacy report

Total value (estimated)

- £1,875,000 excluding VAT
- £2,250,000 including VAT

Above the relevant threshold

Weighting description

In accordance with the two-stage process under the Competitive Flexible Procedure, Tender PSQ Submissions in Stage 1 will be assessed for the purposes of selecting six (6) Tenderers that shall progress to Stage 2.

The below should be read in conjunction with the ITT. Please note the award criteria has only been outlined below for the PSQ stage (Stage 1) and the details of Stage 2 can be found within the ITT.

The top 6 scoring Tenderers in stage 1 will progress to stage 2 of the Procurement

Process, under which Tenderers will submit further responses which shall score separately to the Tender PSQ Submissions in accordance with its own separate criteria and methodology. The stage 2 criteria can be found in the ITT document (page 16) attached to this notice.

The PSQ template for stage 1 can be found in the ITT . The criteria for this stage is:

- Financial and Legal Conditions of Participation (Pass/Fail)
- Technical ability (70%)
- Additional obligations (30%)

Please refer to ITT for further information.

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Competitive flexible procedure

Competitive flexible procedure description

The Tender process continues where Tenderers must submit a completed Tender PSQ

Submission-using the required format, signed by an authorised representative, and including Core Supplier Information for both the Principal Supplier and any Subcontractors- via email by 17:00 BST on 9 March 2026. Late submissions may only be accepted if the delay was demonstrably outside the Tenderer's control.

Shortlisted Tenderers who will be notified by email, then move to the next stage, submitting a detailed Tender Response by 17:00 BST on 1 May 2026, addressing the Specification, including all required components (such as organisational breakdowns, commercial information, technical responses, case studies, and completed annexes), within the prescribed formatting and page limits.

Finally, Shortlisted Tenderers must also submit a Presentation by 17:00 BST on 20 May 2026, again ensuring timely submission via the designated email address.

Full information and detail of the process can be found in the ITT which includes the outline of the full procurement process, pre-determined award and scoring criteria's. This is attached to this notice.
