26 June 2026

Award criteria

Name	Description	Type	Weighting
Price	<p>The price element will be based on the care rate (price per hour) for planned personal care. The care rate per hour selected will then be used to calculate the block price for the 24/7 on-site support based on 84 hours per week. This guaranteed funding will ensure the 24/7 on-site support can be provided with at least one member of staff awake on-site and with one member of staff local to the scheme on call. A pricing matrix be issued for hourly care rates and any bids outside the range will be disregarded. This matrix is consistent with previous extra care tenders.</p>	Price	60%

Name	Description	Type	Weighting
Quality	<p>The quality criteria will be based on technical questions, which focus on bidders proposed service model for the delivery of the on-site care and support service within the scheme, including ability to meet a range of care and support needs and providing enablement-focused care and support, mobilisation of the contract, the promotion of social inclusion, innovative practice and use of technology. For all bids submitted, minimum quality criteria must be met. Bids below these will fail and be discounted</p>	Quality	30%
Social Value	<p>The social value will be Quality based on what social value providers can offer and how this will be achieved and measured as part of this contract.</p>	Quality	10%

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Competitive flexible procedure

Special regime

Light touch

Competitive flexible procedure description

Stage one Procurement Specific Questionnaire (PSQ) includes the following questions which will be scored using scoring methodology table A. The following score questions are:

- Technical Experience
- Safeguarding Responsibility
- Safe Recruitment
- Mobilisation Experience

Only the top 5 scoring PSQ bids will be brought forward to the second stage and invited to submit an Invitation to Tender (ITT) response. In the event of a tie for the 5th place all bids with that score will be invited to the ITT

At the second stage, bidders who are successful at the PSQ stage will be invited to complete the scored ITT questions which includes Social Value. Bidders will also be asked to complete a pricing matrix
