II.1.1) Title

Contract for the Supply, Installation, Commissioning and Maintenance of Passive Freight Screening Technology in Northern France & Belgium

Reference number

C8874

II.1.2) Main CPV code

- 35120000 - Surveillance and security systems and devices

II.1.3) Type of contract

Supplies

II.1.4) Short description

The Authority requires the supply, installation, commissioning and maintenance of Passive Freight Screening Technology at ports in Northern France & Belgium.

Border Force is a professional law enforcement command within the Authority. It employs approximately eight thousand (8,000) officers, responsible for securing the UK border and controlling migration at one hundred and thirty-eight (138) ports and airports across the UK and overseas, including the UK control zone in Calais, Dunkerque and Coquelles in France.

Border Force's search of vehicles operations at the juxtaposed ports in northern France and Belgium currently include the use of passive millimetre wave imaging (PMMWI) technology on moving soft-sided freight vehicles to check for the presence of persons illegally stowed within trailers.

The Authority has a requirement for next generation passive freight screening technology with improved detection performance on concealments where persons illegally stowed are hidden deeper within trailer loads.

II.1.5) Estimated total value

Value excluding VAT: £22,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

Date

5 July 2021

Local time

12:00pm

IV.2.3) Estimated date of dispatch of invitations to tender or to participate to selected candidates

28 July 2021

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.6) Minimum time frame during which the tenderer must maintain the tender

Duration in months: 12 (from the date stated for receipt of tender)

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.3) Additional information

This procurement will be managed electronically via the Home Office's eSourcing Portal (JAGGAER). To participate in this procurement, participants must first be registered on the eSourcing Portal.

If you have not yet registered on the eSourcing Portal, this can be done online at <https://homeoffice.app.jaggaer.com> by following the link 'To register click here'. Please note that, to register, you must have a valid DUNS number (as provided by Dun and Bradstreet) for the organisation which you are registering, who will be entering into a contract if invited to do so.

Once you have registered on the eSourcing Portal, a registered user can express an interest for a specific procurement. This is done by emailing both; amanda.hallinan@homeoffice.gov.uk and neil.humphries@homeoffice.gov.uk.

Your email must clearly state: the name and reference for the procurement you wish to

register for; the name of the registered supplier; and the name and contact details for the registered individual sending the email. The eMail will be processed and then the buyer will enable the supplier to access the procurement online via the eSourcing Portal. The registered user will receive a notification email to alert them once this has been done.

For technical assistance on use of the eSourcing Portal please contact the JAGGAER Supplier Helpdesk at customersupport@jaggaer.com or 0800 069 8630 (0800 - 1800hrs).

Responses must be published by the date in IV.3.4.

Candidates should note that the Authority will require a Confidence Demonstration of offered technology at DSTL premises at Fort Halsted as part of the Request for Proposals evaluation process. Bidders who are short-listed to the RFP stage of the procurement may be offered a financial contribution towards the costs of the Confidence Demonstration. The maximum amount available for this financial contribution is £100,000 and this may be apportioned equally to all participating bidders up to a maximum amount of £20,000 for each company. Bidders tendering for both Lots having the same sensing system may only receive a single contribution. Bidders tendering for both Lots each having an entirely different sensing system may be eligible for an additional contribution.

VI.4) Procedures for review

VI.4.1) Review body
