Section II: Object

II.1) Scope of the procurement

II.1.1) Title

DLSITT1018 - Diamond-II Booster Girder Assemblies

Reference number

DLSITT1018

II.1.2) Main CPV code

- 31730000 - Electrotechnical equipment

II.1.3) Type of contract

Supplies

II.1.4) Short description

Located on the Harwell Science and Innovation Campus in Oxfordshire, Diamond Light Source (DLS) is a leading-edge facility for science, engineering and innovation. Diamond allows researchers from academia and industry to investigate the structure and behaviour of the world around us at the atomic and molecular level.

To continue delivering the world-changing science that Diamond enables, the facility is being upgraded to Diamond-II, a co-ordinated programme of development that combines a major

machine upgrade with new instruments and complementary improvements to optics, detectors, sample environment and delivery capabilities, and computing, as well as integrated and correlative methods. This will be transformative in speed and spatial resolution and will offer users streamlined access to enhanced instruments for life and physical sciences.

The scope of this contract is to carry out detailed design, manufacture, quality control, magnetic measurements and delivery to Diamond of a series of ready-to-install "girder assemblies" for the booster synchrotron upgrade part of the Diamond-II project.

Section VI. Complementary information

VI.6) Original notice reference

Notice number: [2024/S 000-012371](#)

Section VII. Changes

VII.1) Information to be changed or added

VII.2) Other additional information

Section II.2.6) Estimated value

Value excluding VAT: £40

should read

Value excluding VAT: £0.
