EXTRA CARE HOUSING MARKET ENGAGEMENT EVENT

Plymouth City Council

UK2: Preliminary market engagement notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-012625

Procurement identifier (OCID): ocids-h6vhtk-04fc41 ([view related notices](#))

Published 2 April 2025, 4:33pm

Scope

Description

Plymouth City Council will be holding market engagement events with organisations interested in

providing care and support services within our Extra Care Housing schemes across the city.

We would like to invite you to attend one of our market engagement events for the Plymouth Extra

Care Housing contract. The engagement events will be held virtually with additional plans being

finalised to host in person open day events, providing an opportunity to visit the schemes. Further

details will be shared at the virtual engagement sessions. In person events are likely to be

scheduled between 28th April 2025 and 9th May 2025.

Virtual Engagement Sessions

17th April 2025: 11.30am - 12.30pm (MS Teams)

25th April 2025: 2pm - 3pm (MS Teams)

During the virtual sessions, we will describe our aims in terms of the contract and the procurement

activity and timeframes and provide an opportunity for questions and answers.

We are striving for a service where:

- People are supported to continue to live independently;
- People are supported individually so that they can lead as natural and independent a life as possible behind the privacy of their own door;

- People with complex needs associated with dementia and physical and mental disability receive

skilled services that help them maintain and enjoy an active life;

- A more independent lifestyle may be facilitated for some, whereas the provision of a continually supportive environment will be a key factor for others;

- People are supported to achieve their desired level of involvement with their local community;

- People are supported to maintain or gain independent living skills following periods of illness

and so prevent hospital admission or readmission;

- People are supported to evaluate and manage their own risk and to establish their preferred priorities;

- People passing through the Pathways flats (where applicable) will receive individualised care

and support with the aim of achieving a positive outcome for continued independent living;

- The promotion and facilitation of flexible telecare solutions to achieve a wide range of responses to meeting people's needs;
- The allocation of accommodation and the movement of people into/out of the scheme are efficiently and effectively handled and the service will work in partnership with the housing providers.
- Good partnership working with the Housing Provider will be achieved to ensure a fully utilised, safe and well-coordinated environment where people enjoy living.

To express an interest in attending a virtual session, please e-mail

JointCommissioning@plymouth.gov.uk with your details and preferred date in order

that you can be included in the meeting register. The link to the virtual events will be sent to you prior to the event
