## Section II: Object

### II.1) Scope of the procurement

#### II.1.1) Title

Content Management System - University of Aberdeen

Reference number

AU21/38

#### II.1.2) Main CPV code

- 48000000 - Software package and information systems

#### II.1.3) Type of contract

Supplies

#### II.1.4) Short description

The University's current Content Management System (CMS) supports the publication and maintenance of content (templates, text, images and videos) on the University's corporate website (<https://www.abdn.ac.uk>). It also enables the publication of content from many locally developed web applications (eg: StaffPages, News & Events, Prospectuses).

The current system is now only receiving stability and security patching from the vendor. As a result, the University is seeking to procure a modern, supported CMS which can meet current and future needs for the institutional web presence, and reduce the need for bespoke development.
