Section VI. Complementary information

VI.3) Additional information

The estimated value of the contract has been calculated based on the average number of publicly funded certifications over a recent three-year period (2017-2020) for the current qualification. It should be noted that during these years, and at present, the Welsh Government policy of universal adoption has been in place. Such a policy is outside of our remit and therefore, we cannot provide assurance that the same approach will continue. Further information is provided in the background document provided with the invitation to tender on etenderwales.

The estimated total contract value is based upon the restricted approved qualification period of seven years when the successful bidder will have the exclusive right to deliver the Qualification.
