**II.1.4) Short description**

Welsh Government requires a contract to deliver the National Survey for Wales from 2023-24 onwards. Under the Contract, the successful Bidder will conduct fieldwork for the National Survey from March 2023 until March 2028 (with the option to delay fieldwork start to October 2023, and/or delay fieldwork end to March 2029 or March 2030), and to supply the resulting data files to the Client along with technical documentation. The survey will be a continuous annual survey of around 12,000 people a year across in Wales. Fieldwork will be carried out primarily by telephone, with an additional online self-completion section in some years. Where respondents cannot be contacted by phone, interviewers may visit addresses and if possible carry out the survey face-to-face, in home (with a computerised self-completion section in some years).
