II.2.4) Description of the procurement

For the provision and installation of Windows and Aluminium Doors and Ancillary Work

To provide the Customer with an agreed schedule of rates for, as a minimum, the renewal of windows, doors, storey height frames and curtain walling systems including all associated works.

The work will generally consist of a comprehensive service to provide, install, replace windows, doors, storey height frames and curtain walling systems to what will be predominately single storey buildings with there being occasional two and three storey buildings. These works will have been identified through condition surveys and asset management plans.

Individual projects will include all labours and associated works, perimeter protection, full scaffolding, site compounds, welfare facilities and waste management.

The value of each project will usually range between £10,000 and £50,000 with some projects reaching values outside of this.

There is no cap on project size.

Properties will include Customer-owned properties, public sector estate and infrastructure, schools (maintained or otherwise), Academies, Free schools, libraries, community buildings, general offices, education/higher education property, health & social care buildings, emergency services buildings, occasional nursery facilities, sports facilities, council owned housing stock and light commercial industrial units.
