## **Section VI. Complementary information**

### **VI.3) Additional information**

The overall estimated framework value is £1,800,000. It is demand lead. An estimated breakdown per lot is not available.. There was a delay in a tenderer accepting the framework award on the system, which resulted in a delay in publishing this notice.

### **VI.4) Procedures for review**

#### **VI.4.1) Review body**

The UK does not have any such bodies with responsibility for appeal/mediation procedures. Instead; any challenges are dealt with by the High Court, Commercial Division, to which proceedings may be issued regarding alleged breaches of the PCR 2015 (as amended).

#### **VI.4.3) Review procedure**

Precise information on deadline(s) for review procedures

CPD complied with the Public Contracts Regulations 2015 and incorporated a standstill period (i.e. a minimum of 10 calendar days) at the point information on the award of contract was communicated to tenderers. That notification provided full information on the award decision. This provided time for the unsuccessful tenderers to challenge the award decision before the contract was entered into.
