This Waste Management Framework was intended to be for the provision of a waste management site/depot/facility for the receipt and appropriate recycling/disposal of site-based waste generated by Lewisham Homes' DLO and other contractors. This framework was due to be awarded to between 2 and 6 providers under an overarching framework agreement under which call offs would be via a JCT Measured Term Contract (as amended) for 4 years. Due to insufficient market interest at the first stage of the process, however, this Lot was withdrawn from the process and Lewisham Homes sought alternative options for the delivery of these services.
