## **Special regime**

Utilities

## **Direct award justification**

Single supplier - technical reasons

CAF are the original equipment manufacturer for this type of fleet. CAF therefore have all the technical knowledge around how this train was designed and manufactured. They have the supply chain in place that covers spares and overhauls and own certain IPR and have certain know-how. As part of the supply of technical services CAF are providing support for our on-board systems including software updates and integration with the TCMS (Train Control Management System).
