#### **II.1.4) Short description**

The University of Plymouth is looking to reinforce its reputation as an innovative centre of excellence for engineering research, teaching and learning. The new Engineering and Design facility (NEDF) being constructed on the western edge of the main Plymouth campus will provide a new home for the specialist laboratories and teaching facilities of the School of Engineering, Computing and Mathematics and the School of Art, Design and Architecture. The Wood, DDF and Metals workshops (Part of the School of Art, Design and Architecture) have a tough environment where we cater for novice, competent, and skilled craftsperson levels within a student user group, and potentially external users exploring research options.
