The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

Where it is required, within a bidder's country of establishment they must confirm which authorisation or memberships of the relevant organisation(s) are required in order to perform this service.

Bidders must confirm if they hold the particular authorisation or memberships

NSI Gold Accreditation for Lots 1 & 3 and NSI Silver Accreditation for Lot 2.

III.1.2) Economic and financial standing

List and brief description of selection criteria

For Lot 1 - Bidders will be required to have a minimum yearly "specific" turnover of (490,000)GBP for the last 3 years in the business area covered by the contract.

For Lot 2 - Bidders will be required to have a minimum yearly "specific" turnover of (120,000)GBP for the last 3 years in the business area covered by the contract.

For Lot 3 - Bidders will be required to have a minimum yearly "specific" turnover of (90,000)GBP for the last 3 years in the business area covered by the contract.

If applying for all lots bidders will be required to have a minimum yearly "specific" turnover of (700,000)GBP for the last 3 years in the business area covered by the contract.

North Ayrshire Council reserve the right to review the bidder's financial information using company watch financial analytics at tender stage and throughout the life of the contract. If the bidder's financial health score (H-Score) is 25 or less further information/clarifications will be requested to ensure the equivalent economic and financial standing is adhered too. If this information or the clarifications are not satisfactory, the bidder will be excluded from the tender process.

Bidders who cannot meet the required level of turnover will be excluded from this tender.

Where turnover information is not available for the time period requested, the bidder will be required to state the date which they were set up or started trading.

It is a requirement of this contract that bidders hold, or can commit to obtain prior to the commence of any subsequently awarded contract, the types and levels of insurance indicated below:

Employer's (Compulsory) Liability Insurance = [10,000,000]GBP in respect of any one event

<http://www.hse.gov.uk/pubns/hse40.pdf>

Public Liability Insurance [10,000,000]GBP in respect of any one event

Product Liability Insurance [5,000,000]GBP in the aggregate

Third-Party Motor Vehicle Insurance

A valid motor vehicle certificate must be held in the company name or (where there is no fleet but rather the company permits its employees to use their personal vehicles for business purposes), a letter signed by a person of appropriate authority - confirming that the company has ongoing arrangements in place to ensure their employees' vehicles are appropriately insured and maintained.

III.1.3) Technical and professional ability

List and brief description of selection criteria

Bidders are required to provide 2 examples of services carried out in the past 3 years that demonstrates they have the relevant experience to deliver the services described in the Contract Notice. The services must be of a similar value, size and scope. Unsatisfactory experience will result in exclusion from the tender process. The minimum project value NAC will accept as an example is GBP 150,000 for Lot 1 and GBP 50,000 for Lots 2 and 3.

Bidders must also provide 2 satisfactory references for the same 2 contracts on the reference templates provided. References should be completed and signed by previous customers for contracts of a similar value, size and scope. If any of the referees score the bidder less than 2 the bidder will be excluded from the tender process.

Completed experience and reference templates must be zipped and uploaded at question 4C.1 of the qualification envelope.

Bidders who intend to use a supply chain to deliver the requirements detailed in the Contract Notice, must confirm they have (or have access to) the relevant supply chain management and tracking systems to ensure a resilient and sustainable supply chain. This will include confirmation that they have the systems in place to pay subcontractors

through the supply chain promptly and effectively, and provide evidence when requested of:

- a) their standard payment terms.
- b) ?95% of all supply chain invoices being paid on time (in accordance with the terms of contract) in the last financial year.

Bidders unable to confirm (b) must provide an improvement plan, signed by their Director, which improves payment performance.

Bidders are required to confirm whether they intend to subcontract and, if so, for what proportion of the contract.

Bidders who intend to subcontract more than 25% to any individual organisation must ensure the SPD (Scotland) - Subcontractors Supplier Response is completed and uploaded at question 2D.1.2 of the qualification envelope.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information
