II.2.4) Description of the procurement

The Council wishes to establish a management agreement with the contractor. The management agreement will have an initial term of 3 years with the option to extend for up to a further 2 years.

The aim of the VWCH is to support the creation and development of small and medium enterprises in the key priority creative industries sector. The facility is of exceptional local importance and strongly aligned with the strategic policy of the Council and the South East Midlands Local Enterprise Partnership (SEMLEP). The aim is to develop a creative industries hub with managed workspace targeted at businesses linked to creative and cultural activity.

The objectives are:

- to extend the spectrum of quality premises available for creative SMEs in Northampton and other organisations engaged in supporting the sector;
- to promote entrepreneurialism and new business creation together with the growth and

expansion of existing businesses;

- to improve the retention of graduates and help promote an increase in the level of skills within the town;

- to attract new investment into Northampton;

- to ensure the Hub is self-financing and sustainable; and

- to support the expansion and development of Northampton's Cultural Quarter and Enterprise Zone as part of the wider vision for the South-East Midlands as one of the most innovative, successful and high performing economies in England.

The £12.5m cost of the new facility is being met by the Council, the South East Midlands LEP, and the European Regional Development Fund (ERDF).

Estimated value range of the eventual procurement may be in the range of: £1, 200, 000. GBP

Price is not the only award criterion and all criteria are stated only in the procurement documents.

Bidders should seek independent legal and commercial advice in relation to the potential value of the

opportunity and the scheme as a whole.

The Council is carrying out this procurement under the Competitive Procedure with Negotiation pursuant to

the Public Contracts Regulations 2015 (as amended). The Competitive Procedure with Negotiation permits the Council to award the contract on the basis of initial tenders and the Council is reserving the right to exercise this option.

The Council reserves the right to vary, amend and update any aspects of the procurement documents and final details and versions of the procurement documents will be confirmed to applicants successful in being selected to participate in the relevant tender stages of the procurement procedure.

The Council reserves the right not to award the opportunity or to award only part (or a different arrangement) of the opportunity described in this contract notice.

The contractor may be required to actively participate in the achievement of social and/or environmental policy objectives relating to recruitment and training and supply chain initiatives. Accordingly contract performance conditions may relate in particular to social and/or environmental considerations.

In accordance with Regulation 50 (Contract award notices); Regulation 86 (Notices of decisions to award a

contract or conclude a framework agreement); Regulation 87 (Standstill period) and Regulations 91 to 102 of the Public Contracts Regulations 2015 (as amended). Following any decision to award the contract the Council will be providing debriefing information to unsuccessful bidders (in accordance with Regulation 86) and observing a minimum 10 day standstill period (in accordance with Regulation 87) before the contract is entered into.

Expressions of interest applications must be by way of completion and return of the selection

questionnaire (SQ) (in accordance with the requirements set out in the SQ by the time limit set out in this notice).

Bidders should note that the procurement documents (including the management agreement) are draft documents at this stage, providing indicative information of the Council's intended approach in the procurement process and are for general information only.
